

POLICY REGARDING ACCESS TO PUBLIC RECORDS

Effective Date: September 8, 2008

Administrative Authority: Adapted by the Town Clerk pursuant to
C.R.S 24-72-203(1)(a)

Scope: All departments within the Town of Fraser

Purpose: The purpose of this policy is to assure prompt and equitable service to citizens requesting access to public records, regardless of the format of those records, in accordance with the requirements of C.R.S. 24-72-201 et. seq. This policy does not apply to criminal justice records, as defined in C.R.S. 24-72-302.

Background: C.R.S. 24-72-202(6)(a) defines public record as “all writings made, maintained, or kept... by any local government-financed entity for use in the exercise of functions required or authorized by law or administrative rule or involving the receipt or expenditure of public funds.” The definition of public records also includes the correspondence of elected officials, except to the extent that such correspondence is: 1) a work product, 2) without a demonstrable connection to the exercise of functions required by law or administrative rule, 3) a communication from a constituent to an elected official that clearly implies by its content that the constituent expects that it is confidential in nature or subject to nondisclosure or 4) pursuant to procedures in C.R.S. 24-72-204(1) the material requested is not to be disclosed. Additionally, C.R.S. 24-72-202(7) defines writings to include “all books, papers, maps, photographs, cards, tapes, recordings, or other documentary materials, regardless of physical form or characteristics. Writings include digitally stored data, including without limitation electronic mail messages, but do not include computer software.”

C.R.S. 24-72-203(1)(a) allows the official custodian of public records (Town Clerk) to make reasonable rules and regulations with reference to the copying and inspection of public records as necessary to protect the records and prevent unnecessary interference with the regular duties of the custodian.

Policy: It shall be the policy of the Town of Fraser to make all records available for public inspection unless such records are protected from disclosure by state or federal law, by court order, or unless disclosure of such records would be contrary to the public interest.

All requests made under the Open Records Act shall be made in writing to the Town Clerk, who is the Records Custodian. In the case of a request made in person, the custodian shall either provide the records to the requestor or shall set a date, time, and on-site location where the records can be inspected. The date shall be within three (3) working days of the date the request was made. In the case of a request received by U.S. Postal mail, e-mail, or fax, the custodian shall respond within three (3) working days of receipt of the request. Such period may be extended if extenuating circumstances exist (per C.R.S. 24-72-203(3)(b)), but the extension period shall not exceed seven (7) additional working days. If a deposit is required, the request is not considered received until the deposit is paid.

Open Records requests are required to be in writing and made on the form provided by the Town Clerk.

If a record contains both public and confidential material, the Town of Fraser is not required to redact confidential material in order to comply with a request for the record. However, the Town Clerk may agree to provide redacted records if the requestor pays the redaction fee as shown on the schedule below.

Requests for routine copies of non-restricted, readily available documents (e.g. minutes, agendas, ordinances, resolutions, etc.) Shall not be considered an open records request, and shall not be required to be submitted in writing. However, applicable fees will still apply.

Electronic records and electronic communications: Records stored on magnetic or optical disk, on tapes, or other non-paper media are considered public records and open to disclosure. After receiving a written request for records stored in any of the aforementioned media, the custodian may, but need not, take any measures necessary, in the custodian's opinion, to assist the public in copying or inspecting any specific public record(s); including but not limited to: providing portable disk copies or computer files, referring the requestor to the Town's web site, providing hard copy printouts, or providing the requested records in any other format deemed appropriate by the custodian.

Please note that requests received by email may be a public record under the public records law and may be subject to public inspection under C.R.S. 24-72-203.

Fees and charges: The custodian will charge for any copies, printouts, photographs, or electronic data requested. Requests expected to have a total charge of \$10.00 or more must be accompanied by 100% of the estimated amount. This deposit will be credited toward the total fee, and the total fee shall be paid prior to release of the requested records. In the event the deposit amount exceeds the actual costs, the balance shall be refunded within 30 days.

No fee shall be charged for the first ten standard sized pages, per requester, per calendar year. (Standard sized page will be considered 8 ½ x 11). Each standard page after that will be charged at 25 cents per page. In addition, the requestor must pay any research and retrieval fee associated with producing the record in accordance with the schedule below. The custodian will also charge a fee for any manipulation of data needed to generate a record in a form or format not used by the Town of Fraser. This fee shall not exceed the actual cost of manipulating said data and generating the record. Persons making a subsequent request for the same record shall be charged the same fee.

Additionally, the custodian will charge a fee for providing copies of electronically stored public records. The Town will respond to requests for access to public records stored electronically and in computer databases by providing, upon written request, a copy, disk, or printout. The records may be provided to the requestor by email if practical. The fee will be based on recovery of the actual incremental costs of providing the electronic services and products together with a portion of the costs associated with building and maintaining the information system.

Data kept by the Town of Fraser but generated by a third party shall be charged at actual cost paid to the third party, subject to additional fees below if applicable.

Fees and charges for reproduction of records shall be standard throughout the Town for similar items. Department heads have the authority to waive such fees and charges when it is deemed in the best interest of the Town to do so.
