What is PAYT?

The Fraser Pay-As-You-Throw (PAYT) program reduces quantities of trash going to the landfill with a financial incentive to the consumer. The less trash you throw away – the more money you save! PAYT trash bags and single stream recycling can be disposed of at The Drop instead of paying for a traditional trash service. PAYT Trash bags are yellow 40-gallon bags with the Town of Fraser logo and a map conveniently printed right on the bag. Bags can be bought in packages of 5 for \$42.50 or individually for \$8.50. For more info call Fraser Town Hall at **970-726-5491** or The Drop during business hours at **970-531-0139** or visit www.frasercolorado.com.
